Version #	Initials	Release Date	Changeset	Changes Made
0.0	PD	2019-10-11	660e001	Initial skeleton of the document.
0.1	MH	2019-10-11	6af9e8a	Populate initial document with draft content required for Milestone I.

1 About This Document

This document will outline the final list of deliverables presented to the client.

Tentative List:

Hardware Artifacts

1. Drone Prototype

2. Ground Station Prototype

Document Artifacts

1. Requirements Specification

2. Design Specification

3. Validation Specification and Results

4. Operations, Maintenance, and Upgrades Specifications

5. List of Deliverables

Other Artifacts

1. Demonstrative Video

2. Oral Presentation

3. Poster

4. Project Repositories
